### EYE TREATMENTS

Before tinting can commence you must have a 24 hour patch test.

#### LVL ENHANCE BY NOUVEAU LASHES 60 minutes    £47.00

This revolutionary lash treatment adds length, volume and lift to your natural eyelashes without any extensions, adhesives or mascara.\* Unlike a traditional lash perm, LVL Enhance straightens your natural lashes at the root, creating the appearance of longer, thicker lashes. Plus the added lash tint on your top and bottom lashes creates a mascara-style effect, so you're lash perfect from the moment you wake up.

\* A 48 hours patch test is required prior to the treatment.

#### INDIVIDUAL EYELASH EXTENSIONS £65.00
